

IMPORTANT ANNOUNCEMENT

OCTOBER 1ST 2007

Following the statement released today from GC International Inc ref Apollo Masters:

Websites: www.aljcast.com and www.apollomasters.com

GC International, Inc , announced today the Company has signed a Letter of Intent to purchase assets of Transco USA, Linden N.J.

Closing of the purchase is subject to executing a definitive Purchase Agreement.

GCI stated that the assets being purchased from Transco will be moved as soon as possible from New Jersey to the Company's Apollo Masters facility in Banning California.

Apollo Masters and Transco USA manufacture Audio Recording Master Lacquer disks used by recording engineers at music studios in the manufacture of 33 1/3 and 45 RPM Vinyl records.

GCI stated that the assets being purchased include the Transco USA stylus manufacturing operations and Transco's proprietary lacquer formulas.

For information contact:

Mark Griffith (mgriffith@apollomaster.com) or Terry Carlson (tc@aljcast.com) or GC International, Inc. At the Company's A.L. Johnson division Tel: 805-389-4631

Transco Blanx Ltd, is pleased to announce its appointment as the official UK and European distributor for Apollo Masters, Dub Plates and Reference-Lites and Transco SSM, Dub Plates and cutting styli.

As Technical Manager Peter Inker will continue to offer full support in all aspects of cutting, plating and the pressing of vinyl records.

This exciting development brings together two of the most dedicated manufacturers of Lacquer Discs. We are confident that the combined technical excellence of these two companies will serve to further enhance the quality of both the Apollo & Transco range of products.

For further information please contact John Rooke, Matt Rooke or Peter Inker;
